

The tool to create a masterpiece

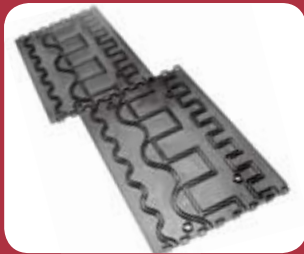

NEW

Grace Pinnacle Quilt Frame

PROFESSIONAL SERIES FRAME FOR THE HOME QUILTER

The new and innovative Pinnacle quilt frame comes as a complete package with all the extras you need and will truly enhance the entire process of machine quilting from beginning to end.

PATTERN PERFECT - Double sided Templates, with 8 different patterns to choose from, connect in a variety of ways for creative combinations

SURE STITCH - A stitch Regulator and constant speed controller

LASER STYLUS - Swivel mounting system allows you to position the stylus at any angle.

- Enhanced Carriage Design – accommodates any machine with up to 18” throat space
- Dual Width – Crib size 60” and King Size 120”
- (The 60” size is ideal for quilt stores to feature in their store taking less space than other conventional frames)
- A-Frame design – maximizes stability
- Professional Series Rails – provide smooth-rolling quilt advancement
- Easy side Tension – provides perfect tension
- Utility Shelf – ideal for extra fabric storage
- Stitch Regulator – Speed controller – for perfect stitch and speed control
- Pattern Perfect – provides almost effortless guides through 8 different patterns, providing many combinations
- Laser Stylus – follows your own design with ease
- Instructional Video – makes use and assembly easy
