

# Monster Toy

## Requirements

Janome Sewing Machine (*DC6050 used for project*)

Zig Zag Foot A

Janome Purple Tip Needle

Janome plastic bobbin

Dressmaking scissors

Dressmaking pins

Pinking Shears

Sewing thread to match felt pieces

Toy stuffing

## Fabric

Pack of pre-cut felt sheets multiple colours (A4 in size)

## Step 1

Cut out eyes, mouth and tongue pattern pieces. (page 3)

Eyes - white felt

Inner eye - red felt

Mouth - yellow felt

Tongue - pink felt

Head - 2 x purple felt sheets

Hair - light blue felt, cut sheet in half across the width.

Take 1 purple felt sheet.

Position and pin white eyes.

Using a straight stitch, sew around the outer edge of the white eye.

*Tip: You may choose to use thread to match the various face pieces or use a contrasting thread for all stitching.*

## Step 2

Position red inner eye and pin.

Stitch around the edge.

## Step 3

Position and pin the mouth and tongue.

Only stitch around the mouth, include the back of the tongue, in the stitch down; the remainder is not stitched down, the tongue is hanging free.

## Step 4

Take the 2nd purple felt sheet and place underneath the sewn face felt sheet.

# Monster Toy

## Step 5

Using a straight stitch, line-up the foot with the edge of the felt sheets and sew a seam around 3 sides, leaving the top open.

## Step 8

Stitch closed the top edge.

## Step 9

Pin the hair felt piece along the top seam.  
Stitch on using a zig zag stitch, set stitch width 3.0

## Step 6

Stuff the monster with toy stuffing.

## Step 10

Use pinking shears to cut hair, approx. 2cm strips.

## Step 7

Pin the top edge closed.

**FINISH**

## DIY Project - Monster Toy Pattern

Pre-cut felt sheets used for this project are the size of this A4 page, require 2 sheets this size.

Plus, additional felt in various colours for the below face sections.
