Free Arm Convertible

Standard Feet: Zig Zag, Satin Stitch, Zipper, Buttonhole

The Janome TM30 computerized sewing machine will have you sewing like a professional in no time. This user-friendly machine comes complete with 30 built-in stitches and a jam-proof top drop-in bobbin. Simply control your sewing speed by setting the speed slider. Sew without a foot control by using the start/stop button. Get sewing fantastic projects right out of the box.

Built-in Needle Threader

With an easy to use built-in needle threader, the TM30 saves you time and effort.

Top Loading Drop-in Bobbin

The jam-proof drop-in bobbin makes loading a breeze. The clear cover shows remaining thread, making switching the bobbin quick and easy.

Bonus Foot Included

1/4"
SEAM FOOT

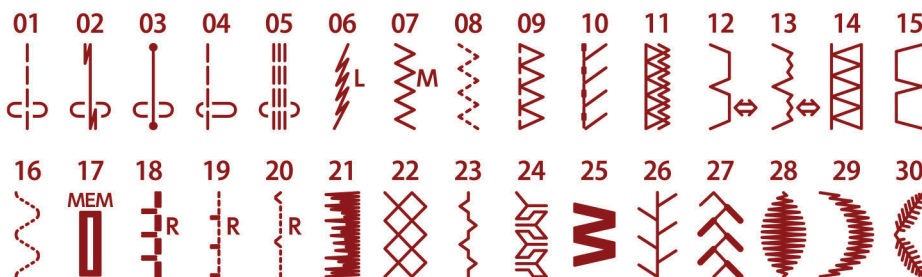

Bright LED Screen & Navigation Keys

Features an easy to read, bright LED screen. By the screen, you will find navigation buttons, which include a locking stitch button, easy reverse button, and needle up/down button.

30 Built-in Stitches

With 30 built-in stitches, the possibilities are endless. Get inspired, design and create anything you set your mind to do.
