Circular Sewing Attachment

The circular sewing attachment is the ideal attachment for sewing perfect circles using a range of stitches from straight stitch, zig zag, decorative and yes, even lettering. Create stitched circles up to 26cm in diameter. Add creative flair, stitch and create your own personalised embellished fabric to make tailored gifts. [Click to view Video](#)
Give your garments, quilts, home décor projects or any craft work that dimensional edge.

This Accessory of the Month has a bonus embroidery project.
