JANOME

HORIZON®

Memory Craft 8300QC

Colour LCD Screen

Navigate stitches, modify settings, explore stitch editing and access your machine's functions with ease using the colour LCD touchscreen. Enjoy clear, easy-to-follow controls for an intuitive sewing experience.

200 Stitches + Pattern Combination

Create unique designs with Janome's Pattern Combination function. Combine up to 100 stitches + lettering to create personalised patterns, able to save directly to machine memory.

QR Code Help Function

Access 24/7 helpful machine support whenever you need it. Simply scan the QR code on your machine to access useful support materials and guides to help you get the most out of your machine.

Memory Craft 8300QC

- Multiple languages - 16 available

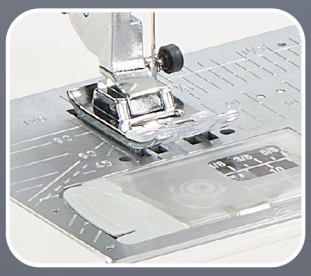

HORIZON®

Variable Zigzag

Variable zigzag lets you adjust stitch width using the foot controller. The harder you press, the wider the stitch. Great for thread painting and embellishing.

Smooth Fabric Feeding

Featuring an innovative 7-piece feed dog, as seen in the Continental M8 Professional, with sharper, tighter and higher teeth for improved stitch quality and fabric feeding.

Premium Protection

Keep your machine protected and dust-free with the premium grey fabric cover, featuring a magnetic flap and embroidered white Janome logo.
